## **Fee Form / Receipt**

Please find enclosed \_\_\_\_\_ dollars for Weight Lifting Percentage Charts printed from **www.strengthtech.com/percentage**

Do NOT send in any funds before you have printed off the copies and decided to use them as there will be **NO REFUNDS**. Please **circle your fees below**.

**\$2** for Personal use (as many copies of any or all of the charts as needed for personal use). No charge for printing copies in the future for personal use as long as available from this URL.

**\$5** for display at a High School, College, Gym or similar facility that wishes to display the charts (as many copies of any of all the charts as needed for display in ONE weight room). No charge for printing copies in the future for same use as long as available from this URL. NOTE - fee is per weight room.

**\$5** for multiple copies for distribution to members of a Weight Training Class or similar setting PER SESSION of the class (meaning \$10 per semester for the all the members of one class session for one semester for as many copies of all the charts as needed).

**\$5** per year for multiple copies for distribution by a Personal Trainer to multiple clients. (meaning you send us \$5 now and another \$5 about once a year for as long as you are using them with your clients).

**\$10** for distribution of multiple copies as part of a high school, college or professional sport team "Play Book" for ONE team at ONE school/location. This fee will be due again if the Play Book is reprinted the next year.

Supply your name and address below if you wish. Note we DO NOT need it.
